**OFFICE OF PETITIONS**

In re Application of Earley et al.	:	
Application No. 10/072,391	:	Decision on Petition
Filing Date: February 5, 2002	:	
Attorney Docket No. 13DV-14119	:	

This is a decision on the petition filed February 25, 2009, under 37 CFR 1.181 to withdraw the holding of abandonment of the above-identified application.

The petition is **dismissed**.

Any request for reconsideration must be submitted within TWO (2) MONTHS from the mail date of this decision. No further petition fee is required for the request. Extensions of time under 37 CFR 1.136(a) are NOT permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.181."

Facts

On October 14, 2008, the Office mailed a Notice of Allowance requiring payment of the issue fee and publication fee. The Notice set a statutory period for reply of three (3) months.

The Office did not receive a reply to the Notice of Allowance. As a result, the Office deemed the application to have become abandoned as of January 15, 2009.

The Office mailed a Notice of Abandonment on February 10, 2009.

The instant petition was filed February 25, 2009. The petition and alleges non-receipt of the Notice of Allowance.

Discussion

MPEP 711.03(c)(I)(A) states, with emphasis added,

[A]n allegation that an Office action was never received may be considered in a petition to withdraw the holding of abandonment. If adequately supported, the Office may grant the petition to withdraw the holding of abandonment and remail the Office action....

A copy of the practitioner's record(s) required to show non-receipt of the Office action should include the *master docket* for the firm. That is, if a three month period for reply was set in the nonreceived Office action, *a copy of the master docket* report showing all replies docketed for a date three months from the mail date of the nonreceived Office action *must be submitted* as documentary proof of nonreceipt of the Office action. *If no such master docket exists, the practitioner should so state....*

Petitioner has not submitted a copy of the relevant portion of a master docket or stated the law firm does not maintain such a docket. Therefore, the petition cannot be granted. Any request for reconsideration should include a copy of the relevant part of the firm's master docket or state the law firm does not maintain such a docket.

In this case, *if* the firm does not maintain a master docket, the firm may simply make such a statement and is *not* required to provide additional evidence of non-receipt in addition to the evidence filed with the instant petition.

The petition indicates the issue fee, publication fee, and a petition fee of \$540 should be charged to petitioner's deposit account. However, a petition fee is not required for a petition under 37 CFR 1.181. Therefore, the Office has only charged the issue fee (\$1,510) and the publication fee (\$300) to the deposit account.

A copy of the papers mailed to petitioner on October 14, 2008, is enclosed. As stated on the Notice of Allowance, a copy of "Part B - FEE(S) TRANSMITTAL" mailed with a Notice of Allowance, or its equivalent, **must** be filed when submitting an issue fee and/or publication fee. Therefore, any request for reconsideration should be accompanied by a completed copy of the Part B - Fee Transmittal form enclosed or its equivalent.
